

GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

Volume-VI JUNE 2024 Issue: 6

VISION → To achieve excellence in technical and management education through quality teaching and innovation.

MISSION

- To provide an excellent learning environment to produce socially responsible and productive technical professionals.
- To set up the state-of-the-art facilities for quality education and innovation.
- To impart knowledge & Skills leading to shaping a budding manager as a quality executive.
- To encourage for life-long learning and team-based problem solving through learning environment.

FEATURES

- The First Self Financed Engineering College in Southern Rajasthan.
- Sixth ranked college in Rajasthan (GHRDC-CSR) for quality.
- Highest placements in Southern Rajasthan
- Maximum teachers to student's ratio in Rajasthan.
- IBM Software Centre of Excellence- Training and Certification camp on DB2/RAD/TDS/RFT/Lotus/WID.
- Exclusive Innovation Lab for research work set up by Texas Instruments, Bangalore, as per Annexure-VIII
- Highest Industry- Academic collaborations, National and International tie-ups for better exposure to technology and growth.
- Approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India
- First Engineering College to get total admission filled every year in Udaipur region.
- Nodal Centre for NITTTR, Chandigarh for conducting the faculty and student development program.
- Only College Campus with Total Wi-Fi connection, Gym, Air cooled hostels for boys & girls and medical facilities.
- Spoken Tutorial – Open Source Software Tutorials – (IITB Spoken Tutorial)
- AICTE-Idea Lab
- Center of Innovation and Incubation
- Business-Incubation Centre of MSME, Govt. of India
- GDSC, TIER 1 & GITS Chapter.

DIRECTOR'S MESSAGE

Greetings!

This time marks a critical time for all students as on the one hand we are near the end of the semester with the onset of examinations and also the time of admissions for the new academic year. The decisions taken at this time are the foundation for shaping the professional future of the students.

It is essential not only to verify the institute's accreditation and affiliations with universities but also to ascertain its capacity to foster a culture of innovation among both faculty and students. The events and activities undertaken by the institute have been purposeful and emphasise on all-round development of the students by creating a balance on achieving academic goals, participating in co-curricular activities like numerous workshops and trainings organized by the various departments.

During this period, Department of CSE and the Department of Electrical & Mechanical Engineering had organised International Conferences each for disseminating valuable information and sharing the latest developments in research along with the best practices being followed by organisations and leading experts, thought leaders, and passionate professionals across various engineering and technological disciplines.

To conclude, the students must cultivate self-discipline and prepare diligently for their examinations. They should not hesitate to reach out to faculty members for additional support and guidance. I am sure that our collective efforts will lead to notable academic success.

Director, GITS

Dr. Narendra Singh Rathore
