

GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

Volume-V MAY 2024 Issue: 5

VISION → To achieve excellence in technical and management education through quality teaching and innovation.

MISSION

- To provide an excellent learning environment to produce socially responsible and productive technical professionals.
- To set up the state-of-the-art facilities for quality education and innovation.
- To impart knowledge & Skills leading to shaping a budding manager as a quality executive.
- To encourage for life-long learning and team-based problem solving through learning environment.

FEATURES

- The First Self Financed Engineering College in Southern Rajasthan.
- Sixth ranked college in Rajasthan (GHRDC-CSR) for quality.
- Highest placements in Southern Rajasthan
- Maximum teachers to student's ratio in Rajasthan.
- IBM Software Centre of Excellence- Training and Certification camp on DB2/RAD/TDS/RFT/Lotus/WID.
- Exclusive Innovation Lab for research work set up by Texas Instruments, Bangalore, as per Annexure-VIII
- Highest Industry- Academic collaborations, National and International tie-ups for better exposure to technology and growth.
- Approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India
- First Engineering College to get total admission filled every year in Udaipur region.
- Nodal Centre for NITTTR, Chandigarh for conducting the faculty and student development program.
- Only College Campus with Total Wi-Fi connection, Gym, Air cooled hostels for boys & girls and medical facilities.
- Spoken Tutorial – Open Source Software Tutorials – (IITB Spoken Tutorial)
- AICTE-Idea Lab
- Center of Innovation and Incubation
- Business-Incubation Centre of MSME, Govt. of India
- GDSC, TIER 1 & GITS Chapter.

EFFORTS TOWARDS

Unique Initiatives:

CENTER FOR INNOVATION & INCUBATION

CENTER OF EXCELLENCE: → INDUSTRIAL AUTOMATION
→ VIRTUAL & AUGMENTED REALITY
→ SUSTAINABLE BUILDING MATERIALS

STATE LEVEL WINNER: **iSTART HACKATHON 2023**

ALL INDIA WINNER OF: **SMART INDIA HACKATHON 2023** **Agri India Hackathon**
आत्मनिर्भर कृषि

DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

Congratulations to all stakeholders on the unprecedented success of the Plasma Exhibition held by the Institute for Plasma Research, Department of Atomic Energy (DAE), Government of India held in the GITS campus with over 3200 visitors from 48 schools and college. The exhibition provided a unique opportunity to students and staff to learn and experience the technology and applications of Plasma technology and invigorate the interest, creativity and innovation in ground-breaking technologies.

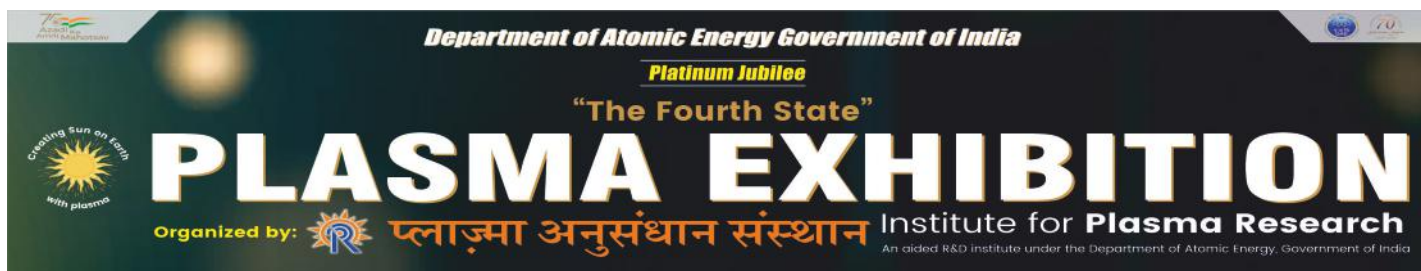

This is the most crucial time in the academic life of students as they are on the cusp of selecting a college that will shape the direction of their professional journey and future success. Therefore, it is of utmost importance to consider several factors for a well-rounded choice like the college's accreditation and affiliation with reputable universities, the institute's ability to nurture a culture of innovation among the faculty and students, placement records and industry connections for future career prospects, the opportunities for research and development, and learning opportunities beyond the regular curriculum that fortify the students to meet the challenges of newer and rapid technological developments and a diverse workforce in the dynamic work environment.

Director, GITS

EVENTS & ACTIVITIES »

EVENTS & ACTIVITIES >>

Department of Humanities and Science organized a week-long **Plasma Exhibition** in collaboration with **Indian Institute of Plasma Research (IPR)**, an initiative of Central Government, Department of Atomic Energy, for students of science and engineering from Udaipur and neighboring towns and cities during April 15th to 19th, 2024.

Department of Computer Science and Engineering in association with Coding Ninja organised Webinar on **"Achieve the Wisdom of Achievers"** by **Ms. Sakshi Sharma**, Software Engineer, Google, on 12th April, 2024

Department of Humanities and Sciences with **92.5 Big FM & RJ Anshuman** organized an event to spread awareness on voting rights, **"Why voting is essential and importance of voting"** on 25th April, 2024.
