

GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

DIRECTOR'S MESSAGE

Greetings from the Director's desk to all our students, faculty, staff and all stakeholders. The first newsletter of 2025 encapsulates information about the numerous academic and co-curricular activities including examinations held in December and January. These activities include various expert talks, training programs and workshops as well as industry visits covering different domains that brought fresh insights and learnings for the students and faculty alike.

The institute also signed a Memorandum of Understanding with the Blackbuck Engineers Pvt. Ltd. for setting up an Online Community Portal that ensures access to designing a meaningful career through their structured programs, finding jobs and internships, learn from leaders across the world etc.

Along with focus on academic and professional growth, we have been making efforts in imbining in our students value-based education and urge them to undertake activities that benefit the community.

I extend my heartiest congratulations to Team 'Checkmate' on winning a cash prize for their innovative idea at Tie-Ideathon-2025; and team 'Debugging Earth' for their AI-based hardware model designed to enhance travel and tourism in Smart India Hackathon-2024. Additionally, I congratulate Dr. Sangeeta Choudhary, Associate Professor, CE, and Dr. Prakriti Dixit Porwal, Associate Professor, MBA, on receiving the funding for their projects under the MSME Innovative Scheme (MSME Champion Scheme).

I urge everyone to embrace innovation, collaboration and lifelong learning and may we keep striving for excellence in our endeavours and contribute towards nation building.

Best wishes!

Director, GITs
