## ABOUT GITS

**G**eetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

# DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

The month of October 2025 has been a truly remarkable chapter in our journey, characterized by innovation, collaboration, and academic excellence.

Our faculty and students have consistently demonstrated their dedication through outstanding accomplishments across diverse domains from research and design innovations to entrepreneurial initiatives and creative pursuits. These achievements reflect the collective spirit of growth and excellence that defines GITS.

The session on "Entrepreneurs' Eloquence", along with the revamp of the Entrepreneurship Development Cell (GITS-EDC), has further strengthened our commitment to nurturing innovation and leadership among our students. It is heartening to see them engage with such enthusiasm in events that enhance not only their technical skills but also their confidence, communication, and problem-solving abilities the hallmarks of tomorrow's changemakers.

Additionally, the wide range of academic sessions, workshops, expert talks, industrial visits, and competitions organized throughout the month has enriched the holistic learning experience at GITS. Each initiative whether academic, cultural, or sports-related reflects the energy and passion of our students and faculty in making GITS a center of excellence in technical education.

I extend my heartfelt appreciation to all faculty members, staff, and students for their continued dedication and efforts. Your unwavering commitment strengthens the GITS legacy and fills our institution with pride. Let us continue to embrace innovation, uphold academic values, and strive for excellence in all our endeavors.

With best wishes for continued success and learning.

Warm regards,

Director, GITS
